DATE MAILED: 10/04/2005

Please find below and/or attached an Office communication concerning this application or proceeding.

DETAILED ACTION

Response to Amendment

The reply filed on 23 September 2005 is not fully responsive to the prior Office Action (See 37 CFR 1.111) because applicant's reply did not further elect a species (or traverse the requirement) for the elected group of claims. While, the examiner appreciates the applicant's election of Group I, claims 1-46 without traverse, the restriction requirement (mailed 01 September 2005) further required applicants to include an identification of the species that is elected consonant with this requirement, and a listing of all claims readable thereon, including any claims subsequently added.

As previously set forth in the restriction, Group I was deemed to further contain claims directed towards the following patentably distinct species of the claimed invention:

- a) Figure 6 directed towards a microphone and video camera with auto-tracking and [first embodiment];
- b) Figures 8, 9, and 10 directed towards operator interface [second embodiment];
- c) Figures 12 directed towards set top box recording [third embodiment];

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Shirley Chang whose telephone number is (571) 272-8546. The examiner can normally be reached on 8:30-5:00 M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John Miller can be reached on (571) 272-7353. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
